JC MAHFOUZ

Magic moments can happen when sports legends come together to serve tomorrow's leaders while inviting others to just simply have fun and enjoy the essence of life. Then, our worlds can escape into mystique, pleasure, and pure, simple fun. Welcome to our Tampa Bay Legends of Sport Weekend!

All sports legends were created when good people, family, and friends imagined small ways of serving and helping each of them to reach their ultimate success. This service is the backbone of who we are. It's who we all strive to be when we imagine life being enhanced for our kids and grandkids. It's why we savor doing all we do! And, it's why the Ritchie Hockey Foundation exists. We're the financial lift to deserving student athletes that need the extra lift to greatness!

Our Legends of Sport Golf Tournament will allow you, your clients, associates, and employees the opportunity to feel the Magic of Legends who have reached the pinnacle of sports success and have devoted their lives to serving others. Boston Bruins and Tampa Bay Lightning Alumni, along with current and former professional baseball players such as **Carlos Gonzalez, Barry Larkin, Dee Gordon, Mason Williams, Edwin Rios, Jason Romano and Kyle Schwarber**, and former professional and college football players **Tony Carter and Terrence Barber** will participate in our tournament. We hope you'll join them and our organization in our quest to support hard working youth who need a bit of an "assist" to reach their potential.

We're reserving a special place just for you! We hope you'll accept this unique invitation to join us on January 26 and 27, 2018. We're ready to serve!

***The Legends of Sport Weekend supports the Ritchie Hockey Foundation***

Don't miss your chance to participate.*

**[Ritchiehockeyfoundation.org](http://Ritchiehockeyfoundation.org)**

***Working Together to Grow the Game of Hockey and Develop Our Leaders of Tomorrow!***

***The Ritchie Hockey Foundation is excited to host its 2<sup>nd</sup> Annual Legends of Sport Weekend! Please join us in our efforts to empower kids on and off the ice by participating in our Golf Tournament at TPC Tampa Bay on Friday, January 26, 2018.***

**Our Story:** The Ritchie Hockey foundation was founded in 2009 by Donna Ritchie in honor of her son Jason, who was tragically killed in a car accident. His spirit lives on through our work to provide much-needed resources to student athletes who play their hearts out and develop strength of character, selflessness, and drive through hockey. They know that success on the ice requires persistence, teamwork, and commitment. We know that those same qualities foster success in life. Thanks to the generosity of our corporate and individual donors, we are able to lead skill clinics and award scholarships to deserving student athletes.

**Our Vision:** We believe that talented and driven young athletes should only be limited by the size of their dreams and the depth of their commitment, and never by availability of financial resources. Your participation will give an “assist” to the Ritchie Hockey Foundation by advancing our mission of providing resources and mentoring to deserving youth who share in Jason’s drive and dedication – kids who play their hearts out on the ice and families that support them.

As our major annual fundraiser, proceeds from our Legends of Sport Weekend Golf Tournament will help provide much-needed funds to youth in our community and beyond. This event brings together professional hockey alumni, local and professional athletes, volunteers and golfers for a fun-filled day of celebration – all in the spirit of Jason’s motto, “Life is Energy,” with a backdrop of the Golf Digest 4.5 star-rated course, TPC Tampa Bay. We’ll also be hosting a local goalie clinic for Tampa Bay’s future legends of hockey on January 27th as part of our commitment to the community. Additional clinic information can be found at [www.ritchiehockeyfoundation.org](http://www.ritchiehockeyfoundation.org).

**Did you know...?** Youth hockey is arguably the most expensive sport with average prices ranging from \$200 for new skates. Add helmets, elbow pads, shin guards, gloves, sticks, pucks – all necessary and basic equipment to ensure a young athlete’s safety – and the numbers quickly add up!! To date, Ritchie Hockey Foundation has awarded over \$70,000 in student scholarships and \$40,000 to the Tampa Bay Lightning’s Guide the Thunder program, all while providing support systems and mentors through our leadership and community connections. We realize we could be doing so much more to help our young athletes – and we need your help to do it!

***Thanks for Your Support***

***Life is  
Energy!***  
***-Jason Ritchie***
